# Time flies when you're having FUN!

July 7, 2011

Can you believe it's been *two years* since I moved to Thailand? The time has flown by, and I really have been having FUN, and so have all of our students who have studied with us. To date we have had **over 300 students** study at TLC English Center! Right now we are in the middle of our busiest season of the year, as the school year here has just started, and teams from America come to help at the Center. Here's a look at what's going on...

**Left:** Dr. Gary Martindale from Evangel University shares about Jesus at QUEST last month. **Lower left:** Tip and I love working at TLC! **Below:** Nok, A, Tip, Miow, Sine Yai, and Sine Lek share a bag of iced tea as part of our city-wide QUEST scavenger hunt. **Right:** Congratulations to graduates of our latest English course.

## Culture Corner

Thailand's elections were held on July 3rd. This is elect by party to fill seats in parliament, which ultimately determines the prime minister. The election results have put a different party in power, who has a different philosophy of government and rule. Pray that the government transitions will be made smoothly and peacefully in the weeks and months ahead.

## Praise and Prayer

**PRAISE GOD FOR** - teachers for the summer; students who are interested in learning more about Jesus; growth and maturing in my new believers' small group. **PLEASE PRAY FOR** - students who are interested in Christianity—four girls: A, Sine Lek, Sine Yai, Boo; continued relationships with our current and former students; QUEST activity this month; me as I teach an introduction to missions class at the Thai Bible school in Bangkok this August.
