

# Summer Recap

September 5, 2011

The last three months have been full to the brim with classes and activities at TLC English Center! In July, the Evangel team taught another course and we had a QUEST activity at a local park. We talked about God and family—God doesn't want us to reject our families when we become a Christian, and we also receive a new family in the church, the family of God. Family issues and dynamics in Thailand are often a potential hindrance to people coming to Christ, so it was great for our students to learn the truth about God and family, and hear testimonies from Thai Christians who have a common background and experiences to share.

In August, we had a team from Origin in Simi Valley, CA, come to teach a two-week course. The team had a great time and did a fantastic job with teaching and preparing parties for our students. We were able to have another QUEST event, this time a sports day with the theme of "God is our strength." Over a dozen students participated, and some want to learn more about God!
