

Off to a Great Start!

March 5, 2012

2012 is off to a great start at TLC English Center. A team from Spokane, WA, came to help teach our January course. In addition to teaching our university students, we were able to teach English in a village school (right). For one of our Friday parties, the team treated us to cereal from America -- an expensive food here and one our students had never tried (below right). After our January QUEST event (below left), I started a weekly discussion group for students who want to learn more about Christianity. We've had three students come every week!

KIDS CLUB started in January. We have 22 kids registered, with 10-15 coming each week. Pray they will come to know Jesus!

Weather Report: It's almost summer! Thai summer lasts from March to May, with highs reaching well into the 100s in April. It's already into the 90s during the day. Unfortunately, along with summer in the north of Thailand comes smoke. Over the past ten years, the situation has gotten worse as farmers burn fields and forests to prepare for the planting season in May and June. Air quality plummets, and many people go to the hospital due to respiratory problems. Pray for rain!

Praise and Prayer **PRAISE GOD FOR:** the successful start to TLC Kids Club; Noom, Bet, and Wave who want to learn more about Christianity; Erica and Amy who are helping at the English Center. **PLEASE PRAY FOR:** opportunities to reach the families in our neighborhood through Kids Club activities; Noom, Bet, and Wave to know Jesus; continued relationships with our university students.
