Summer Fun!

Even though we are in the middle of summer break in Thailand, we've had many students come to study with us. Our first course of the summer was a short course with a different topic every day, such as exercise, card tricks, giving directions, and making greeting cards (right). Paul and Robyn Kramer (below) arrived at TLC at the end of February and started teaching in March. The students enjoy them a lot! The Kramers will be here for two years -- praise God for more longer-term teachers to help at the English Center.

We had a QUEST event in March at a local park to discuss the topic "Did humans really come from monkeys?" (below) Several students expressed interest in learning about Jesus and coming to church. Please pray that students Ming, Dew, Ink, Kwan, and Jin will come to church and continue to study with us when they come back from summer vacation. I'm thankful for many TLC church members that help us to follow up with students who come to QUEST.

UPDATE: Since my last newsletter, many students from Kids Club have stopped coming to class and Sunday school. Our pastor talked to some neighborhood parents, who said that other parents didn't want their children to come to church and become Christians. Please pray for our neighborhood children and their families, that they can continue to study with us and come to know Jesus!

BIG NEWS! I'm coming back ... My first term as a missionary in Thailand is quickly coming to a close. I return to California to begin itineration in **January 2013**. I will be sharing about my ministry in Thailand, and also raising monthly support. I would love to meet with your church or small group and let you know ways that you can be involved in what God is doing in Thailand. If you're interested, send me an email at lauren.becker@agmd.org. I look forward to seeing you next year!

Praise and Prayer **PRAISE GOD FOR:** teachers at TLC; students who are interested to hear about Jesus; Thai church members who are involved in our English Center ministry. **PLEASE PRAY FOR:** students to come back after summer break and learn more about Christ; kids to come back to Kids Club; me as I prepare for itineration, set to begin January 2013.
