# GOD AT WORK

May 1, 2015

**(Lots of text this time, lots to tell you about!)**

**I want to praise God for what He is doing, and ask for your specific prayers.**

God is at work in so many ways! Please join me in praising God, and praying about the following things.

- **I am moving to Lampang!** My colleagues Paul and Robyn Kramer and I will move this month, so we can transition and settle in a little bit before we welcome summer volunteers. **PRAISE GOD** that He is bringing about the Take5 Thailand vision He gave to me several years ago. I am so excited! **Please pray** for a smooth transition and for all the details to come together without stress.
- **God has provided one house for our team in Lampang!** Paul and Robyn will rent a 3-bedroom house about two miles from campus. It has a huge kitchen, great for hosting parties and cooking classes. I will stay with them until we find another house and/or ministry center where I can live. **Praise God** for answered prayer, even down to small details. **Please pray** for touch-up work and slight improvements to finish quickly, and for another house or ministry center where I'll live.
- **God has provided a van for our team!** We were hoping to purchase a 15-passenger van from another missionary. After months of communication, the missionary called me and said the van would be transferred to me—for FREE. **Praise God** for His amazing provision at exactly the right time.
- **Over 30 people** will come this summer, between summer-long volunteers and three short-term teams, from the end of May to mid-July. **Praise God** for sending people to help! **Please pray** for us as we host them, and that many will be called to long-term service in Thailand!
- **I am attending the Asian Institute for Youth Studies** in Baguio, Philippines on May 5-15. Delegates from countries in Asia Pacific will meet together to learn, pray, and discuss strategy for reaching youth and university students in our nations. **Praise God** for the opportunity to train more in campus ministry and outreach. **Please pray** for God's leading for Thailand and other Asian nations; also, I would like prayer for safe travels and good rest, as the conference comes at a busy time, to say the least.
- On a personal note, **please pray** for my aunt who has been diagnosed with colon cancer that has metastasized on her liver and lungs. She is beginning a six-month plan for chemo.

**THANK YOU!** I am so grateful for your prayer and support at this time. May God bless you abundantly!
