REACHING STUDENTS, MAKING DISCIPLES

YOUR 5 FOR TAKE 5

Take5 Thailand enables church planting teams to reach university students through English teaching centers. Five consecutive one-year teams of Thais and Americans will open an English center as a way to build relationships with students and others in the community, and start a church in an unreached city. Our pilot site, Phayao, launches in April 2014, and we plan to open more centers as funds and teams are available.

Take5 is raising funds for English center start-up costs, monthly expenses, supplemental team support, and necessary equipment for the teaching center and church. Each center will cost approximately \$300,000 over five years. But, your gift of just \$5 can make a meaningful impact! Check out the new **Your5 for Take5** site to see what your \$5 gift can do by visiting www.take5thailand.org/your5. Here are a few examples:

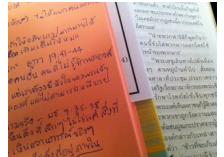

curriculum handouts for one classroom during a three-week course

classroom tools and party games like UNO and cards

one New Testament for a curious student, in understandable Thai language
